

Folding seat with backrest and two adjustable legs

- Folding seat with support for wall fixing.
- With two adjustable support legs .
- Designed for bathrooms adapted for people with reduced mobility.

COMPONENTS AND TECHNICAL DATA

- Made of white polypropylene with anti-bacterial protection.
  - Supports made of stainless steel AISI 304.
  - Maximum weight: 160 kg (with a suitable wall mounting).
  - Recommended installation height 45-50 cm seat area to finished floor.
- Maintenance : Stainless steel requires maintenance as dirt over time can damage the chrome (Cr) containing stainless steel. We recommend monthly cleaning with a specialized stainless steel product. Polypropylene should be cleaned with a cloth dampened with soapy water (soap), rinse and dry thoroughly with a soft cloth.
